Community Concerns

18-18. Is there a way to make AdHoc easier to register?

- The HQDA EXORD (095-17) and USAREUR OPORD (0095-17 para.3.A.2.A) delineate essential information requirements needed for AtHoc registration.
- Units should assign an End User Manager/POC to register a unit's personnel into AtHOC using an Alpha Roster. The unit End User Manager/POC should contact Mr. Tom Janis to receive any assistance necessary.
- Soldiers cannot register in AtHoc during in-processing briefs because the individual must have an off duty telephone number.
